

PRESS RELEASE

Copenhagen Blues Brothers celebrates more than 10 years of existence and has now become the greatest "Blues Brothers Show" ever seen in Denmark. Having toured hundreds of the most famous Copenhagen bars and showplaces, the CPH. Blues Brothers gained hours of show-experience and a huge group of fanatic blues addicts as loyal fans.

The story is the same, as the front figures Jake and Elwood Blues (The Blues Brothers) give the audience their "Blues Fever" back, delivering an entertaining show, with groovy rythm section, a tight horn section, and of course in the well known "Black Suits".

Copenhagen Blues Brothers has since the beginning intended to play the famous Blues Brothers songs. This has resulted in a very busy band that in the last couple of years has toured all of Denmark.

The idea, apart from the music, is to make a show, that warms every dance floor, with the most true Blues Brothers dancing and bouncing around the stage, to get the party rolling - and people dancing on the dancefloors!

The musicians in the Copenhagen Blues Brothers has many different roots, and have all been playing in other popular bands. But when the Copenhagen Blues Brothers gathered to play "The Blues", it became a unique experience, because all the band members share a common love for Blues, R&B, and Soul.

- You have to experience this live!
